

Wind Turbine Maintenance by the WD-40 Company

We at WD-40 Company know that wind farms are a tough environment, but we have solutions for those tough conditions.

The WD-40 Company had you in mind when we built our WD-40® Specialist® line. WD-40 and Specialist is built for hands on technicians and maintenance crews to get the job done.

WD-40® SPECIALIST® PRODUCT LINE

HIGH-PERFORMANCE FOR EVERY TOUGH JOB YOU FACE.

WD-40® products help you get the job done right.

WD-40® SPECIALIST® CLEANER & DEGREASER

Dirty brake surfaces and blades

Environmental dust in the hub, nacelle, and transformer

Safe on brake pads and blade surfaces

Leaves no residue
