Product list

ITEM 100001150

Guide block for LM 17.0 to 25,5

Compatible with LM spare part no. 126201

Used: In the tip shaft for turning the blade tip

ITEM 100001151

Carrier for LM blades 17-25,5

(not for LM 25,5 LD)

Compatible with LM spare part no. 529801

Used: Retrofit/ improved wire carrier for LM blade wires

Product list

ITEM 100001152

Nylon tip cone for LM blades: LM 21,5 to LM25,5

Compatible with LM spare part no. 266001

Used: Tip cone guide between blade tip and blade

ITEM 100001153

Nylon tip cone for 9,7 to 19.1

Compatible with LM spare part no. 64801

Used: Tip cone guide between blade tip and blade

Product list

ITEM 100001154

Retrofit spring module with bronze bushing for LM 19,1 -21,5

Compatible with LM spare part no. 333901

Used: In case of a defective tip box, this module can be used without damaging the fiberglass, and without dismantle the blades.

ITEM 100001155

Retrofit spring module with bronze bushing for LM 23,2 -25,5

Compatible with LM spare part no. 32005

Used: In case of a defective tip box, this module can be used without damaging the fiberglass, and without dismantle the blades.

Product list

ITEM 100001156

Retrofit spring module with bronze bushing for LM 25,5 (LD) blades with liquid damper

Compatible with LM spare part no. 479901

Used: In case of a defective tip box, this module can be used without damaging the fiberglass, and without dismantle the blades.

ITEM 100001157

Description: Retrofit spring module for LM blades. long model

Used: In case of a defective tip box, this module can be used without damaging the fiberglass the blade and without dismantle blades.

Remark. when ordering check that it is the correct model are ordered, there is a long and a short version.
